

Elks Newsletter – November 2025

Faithfulness and loyalty to the organization and its principles.

My Fellow Elks,

Soon we will be initiating more new members into our lodge and investigating even more. I thank you all for the wonderful job you've done bringing these much needed new members into the fold and making them all feel welcome.

We also have a steady calendar of upcoming lodge events through the holidays, so please make note of these and attend whenever possible.

Our annual charity appeal letters have gone out to all members. Your continued generosity is greatly appreciated.

As always, we welcome and encourage all members to attend our bimonthly meetings, offer their suggestions, voice their concerns, and find their own special way to contribute their time and energies to our community.

I'll see you all at the lodge.

Cordially,

Derek Malone
